**Please note – EEE entry fee includes filming of each routine which will be emailed to studios after the competition.**

**Venue – Seven Hills High School** has a traditional wood floor & the stage is wooden. This venue DOES NOT have tarket. EEE will provide resin for dancers. The stage dimensions are 8m x 9m. There are Male & female toilets in the foyer. Toilets CAN NOT be used for changing. Seven Hills High School has an under stage dressingroom for dancers to change. There is also a sink, mirrors, stage access. All dancers MUST come dressed with hair & make up done to ensure a quick running event. EEE will also have access to the toilet block across the pval at Seven Hills High School. Its is suggested that studios also bring tents to put up & change in the quad as this is closer to the hall than the toilet block.

## Competition

A competition is a situation in which two or more people or groups are trying to get something which not everyone can have. A competition is more than just one person, its 2 or more. A competition is an activity or condition of striving to gain or win something by defeating or establishing superiority over others. Please understand that EEE is running a competition, hence why there are combined variety sections in the program. This is to ensure that dancers are competing against another person in a competition environment.

## Presentations

Miss Rachael will constantly announce results throughout the event & there are EEE 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> & HC Banners at the venues, where dancers can take photos. If time permits in the schedule, EEE will announce section results with all dancers onstage as a big presentation Please tag EEE on your socials @energyexpresseisteddfod.

## COVID-19

EEE would like to remind everyone to please make note & abide by all Health & Safety signage displayed throughout competition & for all spectators & dancers to perform regular hand hygiene, social distancing & respiratory etiquette in public. Dancers & parents are to ensure social distancing in change rooms – this is your responsibility.
