

JUMP ONLINE COMPETITION AND RULES

Jump is so excited to be introducing this type of event to our competition! With some positivity and encouragement we have the ability to do anything! Time to keep dancing and having fun!

PRACTICE AND PERFECT

Make sure you continue to work hard on all the corrections your teacher has given you. This is your opportunity to record yourself, watch it, self assess and correct and record it again! These skills are so important so now is the time to put them in action! The great part is you can do it over and over and over again until you know it is the best version of you! Time to kick some goals!

OWN CHOREOGRAPHY SECTIONS

Our online own choreography competition is your chance to use your passion and everything you have been taught to create. Pick your song, create your dance and then film it! This is a very important skill to build on as a dancer and now is the best time to focus on this.

FILMING YOUR ROUTINE

- You can film on any device, whether it be a phone, Ipad, laptop, video camera or any other device that allows you to film!,
- You may film in any environment, it can be at your dance studio, in your lounge room, in your backyard, in your driveway, the ideas are endless! Please just remember to make sure the area is safe including no objects in your way that you could accidentally trip or fall on.
- You can wear your costume, your dance school uniform or a plain coloured leotard, the choice is totally yours as long as you are neat and presentable. We would love to see you all do your hair and makeup to get in the spirit! This is not compulsory though, again as long as you are neat and presentable that is fine. You will not be marked on this.
- Don't forget to perform, give us everything you have! Perform just like you would on stage. You will be judged on your performance skills, so keep up that technique, musicality and personality.

It is important to note, you will not be deducted points if you don't have the most perfect video. However, all we ask is that the quality is clear and that we can clearly hear your music.

UPLOADING YOUR VIDEO TO DROPBOX

After filming, make sure to watch over and ensure you're happy with it before uploading. This process will work exactly the same as music uploading! You will have your individual Dropbox file that we have shared with you, name the file with your full name, style and name of song. You can then upload it as you would your music.

WATCH THE AWARDS LIVE

The cut off for submitting your videos will be emailed to you along with a program which will include your session awards time. Set yourself a reminder! You do not want to miss joining us for our LIVE awards. You will be sent an email with a Zoom link, just click on it and you will be joined to the private group for that session to watch the awards LIVE!

Please make sure to download Zoom on either your phone or PC before the event to be prepared. Creating an account with the same email we have registered for you, accounts are free! All awards will be posted out to you in the weeks to follow the event!
