VIDEOS THAT CAN BE SUBMITTED

On stage videos and home videos are both able to be submitted. All submissions will be judged equally.

PRACTICE AND PERFECT

Make sure you continue to work hard on all the corrections your teacher has given you. This is your opportunity to record yourself, watch it, self assess and correct and record it again! These skills are so important so now is the time to put them in action! The great part is you can do it over and over again until you know it is the best version of you! Time to kick some goals!

FILMING YOUR ROUTINE

- You can film on any device, whether it be a phone, Ipad, laptop, video camera or any other device that allows you to film!,
- You may film in any environment, it can be at your dance studio, in your lounge room, in your backyard, in your driveway, the ideas are endless! Please just remember to make sure the area is safe including no objects in your way that you could accidentally trip or fall on.
- You can wear your costume, your dance school uniform or a plain coloured leotard, the choice is totally yours as long as you are neat and presentable. We would love to see you all do your hair and makeup to get in the spirit! This is not compulsory though, again as long as you are neat and presentable that is fine. You will not be marked on this.
- Don't forget to perform, give us everything you have! Perform just like you would on stage. You will be judged on your performance skills, so keep up that technique, musicality and personality.

It is important to note, you will not be deducted points if you don't have the most perfect video. However, all we ask is that the quality is clear and that we can clearly hear your music.

UPLOADING YOUR VIDEO TO DROPBOX

After filming, make sure to watch over and ensure you're happy with it before uploading. This process will work exactly the same as music uploading! You will have your individual Dropbox file that we will share with you, name the file with your full name, style and name of song. You can then upload it as you would your music.

PROGRAM AND LIVE AWARDS

A program which will include your session awards time will be emailed to you before the live awards day. Set yourself a reminder! You do not want to miss joining us for our LIVE awards.

Please make sure to download Zoom on either your phone or PC before the event to be prepared. Creating an account with the same email we have registered for you, accounts are free! All awards will be posted out to you in the weeks to follow the event! 1st, 2nd, 3rd Place receive medals and certificates, 4th Place and Shining Star receives certificates. Postage is included in your entry fee with the exception of Championship Dancer awards. There will be a \$10 postage fee for these awards.
