2025 Music Schedule - Changes

Please note that the Music Schedule has been reviewed and as a result there have been changes to some of the usual information found in the Music Schedule.

All teachers & competitors are encouraged to read through the Music Schedule in its entirety to be aware of any changes to sections and to rules / conditions. Specifically, please note the following:-

- Copies of own choice music are to be uploaded electronically to Music Uploads rather than submitted via hard copy. Likewise, those with recorded accompaniments will need to upload these recordings electronically to Music Uploads.
- Some new sections are included such as contemporary vocal sections; small vocal ensemble sections; a piano accompany section; and a family item. Age based piano solos have been refined slightly and age based instrumental solos have been grouped according to instrument families. Additionally, we are excited to be able to offer some cash/voucher prizes for some sections in the 2025 competition.
- In relation to Conditions and Rules, while no substantial changes have been made, we'd like to draw your attention to the following conditions to ensure they are followed by competitors, conductors and teachers in 2025 (and beyond):-
 - Time limits: please observe limits as performances will not be adjudicated after the allotted time
 - Conducting and prompting is not permitted except for the sections indicated in Condition 24.
 - Contemporary vocal competitors are to use a microphone – see Condition 29.
