We strongly advise if a competitor is injured during a routine, that they leave the stage or stop their routine instantly. You must protect yourself and we urge teachers to notify students of this before they perform. Further injury can be sustained if you continue to dance.

Entrants should be of good health and fitness and physically able to participate in an event.

All performers and patrons attending & competing at our competition are responsible for their own actions and safety & do so at their own risk.

The committee reserves the right to take any/all actions to facilitate the satisfactory conduct of the Competition. The Competition is conducted under the relevant Queensland Government Workplace Health & Safety Regulations. The committee expects all competitors, volunteers, patrons, teachers, and visitors to respect these guidelines and they will not be held liable for any such person who does not conform to these requests. Props must be removed from the hall straight after they have been used due to lack of storage room for them.

16.MEDIA:

Competitors and/or winner's names and photographs may be used in the media during and after the competition. Should this not be appropriate the committee must be advised prior to commencement of the dance competition. We will have a representative from the local paper at the hall during performances to take photos on our behalf for publicity. Please read the permission clause on the online entries.

17.MANAGEMENT COMMITTEE:

The Management Committee has the power to decide on any question not contained in these rules and conditions. The answer or outcome to any question or dispute, will be made solely by the IDBDS Management Committee. (President/Secretary/Treasurer/Vice President). Please remember that committee members and our volunteers may be parents of children who dance and are not paid for their services.

18. PROPS:

Props must be free standing and able to be quickly placed on the stage by the competitor & dance teacher. We are limited to space and props cannot be stored backstage prior to your item. 1 prop or 2 small props. (No setting of scenes on stage.) Props can be kept in the top left-hand side (town side) 1 section prior to your section. As soon as you finish with your item, you are to take the props with you back downstairs and then into your vehicle. No props that cause debris i.e. Talc powder, confetti, straw, glitter or popping of balloons is allowed. Props must be removed after each section as the theatre has no storage area to keep them there.

Props must leave the backstage area & hall straight away after use as we are using the dressing rooms for competitors to change in this year. At the end of the SESSION, they must be removed from the theatre. We ask that you take them back to your vehicles and do not store in dressing rooms. Curtains will be used for Championship Sections if required. For groups we offer Blackout of Lights for start & finish and curtains should props need to be set on stage.

The IDBDS will not be responsible for any loss or damage of the individual property (props, music, costumes).

19. MUSIC – Music Uploads Management Service.

All music will be required to be uploaded to a music upload system by **25th of April 2025**. Further details with the link will be sent to all competitors once the programming of events is done.

If you have tags, they are to be recorded and included in the music file.

There will be no allowance for the pausing and restarting of music during a performance. The music must be pre-recorded with the required pauses. **Any special instructions must be given to the Back Manager e.g., start on stage and put this on the file when you are downloading the music.** Where there are no special instructions, the music will start immediately the competitor number is announced. MUSIC PERSONS WILL NOT BE HELD

RESPONSIBLE FOR ANY ERRORS. Our music player receives feedback from backstage managers & teachers through our intercom system and music will be adjusted as per their discretion. Please make sure all music is recorded in digital and high-volume level, as we can turn the speakers down but if too low we are limited to the level of loudness. If it is recorded softly, we can only adjust the volume capacity. Recording of music is the responsibility of the teacher.

20. SONG & DANCE:

No vocals: singing, harmony lines or speaking in the background are allowed in the singing section of the item. No Lip Sync i.e. No miming or singling along with vocal backing, will be allowed in the singing section of the item. Vocals are allowed in the dance sections, but the competitors may not sing/speak over any vocal line in the dance section. Singing or vocals will not be permitted on backing track during the song part in the Song & Dance sections, however we do allow for some backing vocals and full vocals in the dance section only. The competitor's voice must be heard over all music. **(The adjudicator will know if a child is using the backing to assist with their voice strength and volume and it will be at her discretion to penalise if need be)**
Song of Choice is only vocals – no dancing. This is not a championship qualifier section or item.

21. COMPETITORS LEAVING THE STAGE DURING THEIR PERFORMANCE:

Should a competitor leave the stage because of having forgotten their routine, they may be permitted to reappear DURING the section, this will depend on the Adjudicator if she has seen enough; however, they may not receive a mark. If they reappear, they will be slotted in as soon as possible. **(They will not automatically go again at the end of the section.)** We advise competitors not to run off the stage if they forget their routine to avoid disappointment. We ask that they do a curtsy, and you will then be able to receive a mark up until that point. Children can still place if they forget and curtsy as they will be marked on their performance up until they finished. (This will be at the discretion of the adjudicator not the committee). If the Adjudicator decides their performance is so outstanding that even after a penalty for forgetting their routine, their marks are still high enough to beat the other competitors, then they may still be awarded a placing.

21. DANCING ON STAGE

NO competitor is to perform anywhere other than on the stage area. This includes entry, exits, and includes NO jumping off the stage. No practicing on the stage in between sessions. The stage floor will be cleaned after each Day, but may be done between Sessions, and no one will be allowed on it until the Session opens. Exemption may be granted if permission is received from the President prior.

22. AGE-APPROPRIATE COSTUMING & ROUTINES SONG CHOICES:

Inappropriate and suggestive movement and/or obscene language along with inappropriate costuming will not be permitted during performances. Check the lyrics and edit before the routines are taught. The adjudicator may penalise and STOP the performance.

Routines should be age appropriate for each competitor/group, and costuming should also be age appropriate. Please be aware that the child will be performing on a stage that is higher than the main seating in the theatre so bare this in mind when designing costumes. We are a Junior Dance Competition, and our audience attracts all age groups so please be mindful of the routine you are performing on stage. The IDBDS will not be liable for any official complaints. They should be directed to the school involved if you have a concern or complaint.

COMPULSORY RULINGS: Do not use the over-extended (turned-in/inverted), Leg Mount/Kick with the crotch facing the audience. All entrants must wear stockings/tights for all routines. (No bare legs).

23. BEHAVIOUR/VENUE ETIQUETTE

A high standard of decorum, behaviour and professionalism is always expected from competitors, parents, teachers, and audience. Any issues of this nature will be dealt with by the Committee on the day as it deems appropriate. Unpleasant or offensive behaviour toward anyone including the committee, may result in those responsible being asked to leave and offending entrants may be disqualified, This could also result in AWARDS being taken away from their children. These rules also apply to misuse of the Venue and Competition facilities. Competitors must wait quietly backstage for their turn to perform. The IDBDS as hirer of this venue reserves the right to refuse admission to any persons and can ask them to leave the premises and not return for a 24-hour period. **Screaming, yelling & whistling out whilst a performance is on stage will not be accepted and could cause a disqualification of item being performed.**

We encourage acclamation only after performances. Teachers behaving poorly backstage or in dressing rooms, may be asked to leave the venue.

24. AWARDS

Award placings for each section are done at the discretion of the Adjudicator. We encourage only 1 first place but are not restricted to this. Trophies will be awarded for 1st place, Medals for 2nd, 3rd places. Small medals on a ribbon for VHC and Ribbons for H.C awards. Competitors MUST attain a sufficiently high standard before becoming eligible for first place. We encourage the placing of all awards (if numbers are sufficient) for all sections, however the Adjudicator has the final decision. VHC & HC are not compulsory for all sections and will be awarded as per the discretion of the adjudicator.

33. ADJUDICATORS REPORT SHEETS

Reports will be available at a table down the back after the completion of each section. No duplicate copies of reports will be available. Reports not collected by the end of the eisteddfod will be destroyed. It is the competitor's responsibility to collect these reports at the end of each section with their music. No props to be stored in the dressing rooms after they are used.

The dressing rooms must always be kept clean and tidy. If you make a mess, please clean it up and wipe the benches down after you have used your area. Dance Schools will be responsible for the cleaning of these areas.

Cleaning fines of \$150 will be issued this year if these areas are left untidy.

37. CHILD PROTECTION

The IDBDS committee is committed to upholding the highest standards of safety and wellbeing for its competitors. As such the following recommendations are in place during our IDBDS Dance Competition:

1. *A competitor's costuming is not to place them at risk of exposing themselves (i.e. breasts, buttock, genital area) to the audience.*
 2. *Tights are to be worn under all costumes that do not have a defined leg sewn in. If there is any risk of buttock/genitalia being exposed, leg tights are recommended to be worn.*
 3. *Choreography is to be age-appropriate, and not contain movements that could be widely interpreted as sexually promiscuous, explicit, or offensive. Our audience is open to all ages.*
 4. *Music choice is to be age-appropriate, and not contain explicit or subliminal sexual references, drug and alcohol references, or references to violence. Edit music to remove any swear words.*
 5. *Props such as sand, water, powder, glitter, glass, mirror, porcelain, electrical props, or open flames, are not permitted to be used on stage or inside the Shire Hall.*
 6. *Choreography based around themes of a highly sensitive nature such as abuse, suicide, locally and globally traumatic events, etc, are to be avoided or handled with extreme care and due diligence, as*
 7. *the IDBDS committee are not able to provide appropriate and timely content warnings to its audiences.*
- The Adjudicator will be made aware of these recommendations, and they may be used to determine outcomes for competitors in terms of scores and placings. Studio Owners will be communicated via email in the instance that a Child Protection concern has been raised, for them to then disseminate the IDBDS concerns. by following up the teacher, choreographer, or parent as to why certain decisions surrounding costuming, content or movement were made. Recurring concerns will be addressed accordingly.

IMPORTANT INFORMATION

Rules and Regulations pertaining to each section are outlined in this preliminary programme. Changes to some rules may occur from year to year, therefore it is imperative that all instructions are read carefully. Disqualification may follow if rules are not observed. Sections will be split if necessary, after entries have closed. Tap shoe covers must be worn.

Time limits stated are the maximum allowed. This does not mean the items have to be this length in time.

Cameras/Video cameras/IPADs and other recording devices are not permitted. Mobile phones must always be switched off whilst in the theatre.

No electronic devices of any kind will be allowed in the theatre/dressing rooms/rest rooms/backstage. If anyone is caught with an active device on and recording whilst an item is being performed will be asked to leave the premises and the child/school may be disqualified from the competition.

Competitor's tickets are compulsory for all entrants and must be visible always. These are purchased with online entries. These tickets are to be collected at the hall when you first arrive. There will be a separate area. Please do not misplace these as you will be charged \$5.00 for replacements cards. You will need a lanyard to attach so that they are worn always except whilst competing.

Good quality back up of music must be provided if requested. (CD or USB & must be labelled)

SAFETY

Because of Safety regulations and storage area we must insist you limit the amount and size of props and remove them from the stage area and dressing rooms immediately after the item has been performed or straight after the section has finished.

No smoking permitted anywhere inside the theatre or on the front patio. This theatre is a **NO SMOKING ZONE**. No food or drink items will be allowed in the theatre/auditorium/dressing rooms as this is now classed as a **NO FOOD ZONE**. You can utilise the tables and chairs that are available in the canteen area and balcony. Water bottles are allowed.

Our competition is based on the national eisteddfod ruling and therefore **we do not encourage yelling, screaming or other loud noises whilst competitors are competing on stage.** Clapping is to be done at the end of each performance.

Please remember that any section can be combined or split once all entries have been entered onto the system. You will need to check our webpage & facebook page early April to see what sections have been combined etc. Dance Schools are always notified of changes and should pass the information onto their students etc. We require a minimum of 3 competitors where possible in sections, however for Championships we require at least 5 competitors otherwise they will be combined.

Remember all our volunteers are just that: 'VOLUNTEERS', so please treat them all with RESPECT
