AIDA SA, NT & TAS

The following rules should be read in light of the AIDA Inc. Mission Statement, the objective of which is to encourage good sportsmanship in a healthy, positive, and fair spirited environment. This objective should be upheld by ALL teachers, dancers, parents, and spectators at all events.

1. Competitors must be pupils of Registered Teachers with An Comisiun Le Rinci Gaelacha who are also registered with AIDA South Australia, Northern Territory and Tasmania Inc. and AIDA Inc. for the year 2024.
2. Competitors must be registered with AIDA SA, NT & TAS Inc. or their region for 2024 and proof of age must also have been ascertained. The age of a competitor shall be taken as on 1st January 2024. Where a competitor's birth date falls on 1st January they shall, for the purpose of AIDA SA, NT & TAS Inc, be regarded as under the age attained on that day.

If a competitor is not registered by the official close date written on the feis syllabus, the competitor must pay the registration fee and the school will be fined an additional fee equivalent to that registration fee before dancing in that feis. If a pupil subsequently dances unregistered, then the above ruling applies, and a further penalty of \$100 will apply to the school under which that pupil danced.

3. Entries must be submitted and fees paid by the due date. No late entries will be accepted, and no refunds will be given. All entries whether, online or manual, must be submitted and paid in full by the due date.
4. There must be a minimum of two (2) competitors to make up an event, with the exception of Novice Grade. Entry fees will be refunded if insufficient numbers are received.
5. All competitors must be ready to commence their section at least 30 minutes prior to the commencement of their sections. The feis organizing committee has the right to commence sections up to 30 minutes prior to the advertised start time.
6. All competitors must be in the marshalling area prior to the commencement of their sections otherwise they will be disqualified.
7. In the case of a tie, there will be no dance off. Competitors in the next position will move back a place.
8. Competitors will be required to dance to music supplied by the association. Teachers may be required to supply their own music for set dances.
9. If there is a problem with music, either manual or recorded, the competitor will be permitted to re-dance.
10. If a competitor loses a heel or a complete shoe, or have an open lace, they may stand back allowing the other competitor to continue dancing uninhibited. Such a competitor will then be allowed to re-dance.
11. With regards to falls, slips and bumps
 - 11.1. Should a competitor fall on stage, the adjudicator MUST ring the bell to stop the performance of the competitor(s). Those so affected will be permitted to re-dance and will be marked then at the discretion of each individual adjudicator.
 - i. If the judges ring the bell to stop a performance during the last eight (8) bars of any performance, a competitor will only be required to dance the last 16 bars of that dance.
 - ii. If the judges ring the bell to stop a performance during any part of their open solo set dance, the competitor will perform the entire dance for their re-dance.
 - 11.2. Should a competitor slip, bump into another competitor, or have a costume malfunction, the bell may be rung at the discretion of the adjudicators to stop the performance of the competitor(s). Those so affected will be permitted to re-dance and will be marked then at the discretion of each individual adjudicator.
 - 11.3. Should, in the opinion of the Stage Personnel (in consultation with medical personnel if deemed necessary), a competitor be unfit to re-dance, and if such competitor insists on performing, then those concerned will only be permitted to re-dance on completion of a formal declaration that removes the organising committee of any liability. Any repeat accident/incident which results in that competitor being unable to complete the required number of bars in any round, will result in the competitor withdrawing without question from the Championship.
12. Competitors beginning to dance before or after the stipulated 8-bar introduction, or those who fail to complete the full dance will automatically receive ZERO marks and ZERO points for that competition.
 - 12.1. The term "complete" means that all bars as outlined in the syllabus are danced without any stops (other than brief, choreographed pauses).
13. No block, en point, stationary or moving is allowed to be performed for all grades up to and including the 11 years and Under age groups.
14. In all competitions for Primary (Tus), Elementary (Mean 1), Intermediate (Mean) and Open (Ard), all heavy dancing lead rounds must be danced on both the right foot and the left foot.
15. In graded sections, competitors are required to perform correct standard of work as set out in the AIDA Inc. Grade Rules. Competitors will be disqualified by adjudicators if incorrect standard of work is performed

16. Artificial Carriage Aids - In order to comply with health and safety measures, all competitors lining up side stage prior to any round at any competition will be required to perform the simple exercise of raising their arms to shoulder level unhindered. If unable to do this by the time of their rotation due to costume stitching or arm attachments, these competitors will not be permitted to perform.
17. The makeup and tan rules are as followed,
