

# ACE DANCE ONLINE COMPETITION

For the very first time we bring you  
[ACE DANCE ONLINE SOLO COMPETITION](#).

Due to the unfortunate cancellation of live events for 2021, we bring you a platform with an opportunity to be creative, perform and compete safely from home.

We are offering divisions for all ages and categories to include as many dancers as possible in this opportunity. Competitors will receive critiques from our judge while competing for 1st, 2nd, 3rd place in each category. Overall winner will be awarded cash prize. Specialty prizes will also be award.

We all know how hard every dancer and teacher works to prepare for competition! From countless hours of rehearsals, to the creation of choreography, to sewing and altering costumes and to cleaning a dance like crazy, a lot of time and effort is put into each dance that steps foot onto the competition stage. We understand that these are challenging times for studio directors and their students, therefore we are excited to be offering this new opportunity *#DanceFromHome*

A unique feature to [ACE Dance ONLINE](#) is our genre-specific specialty judging team. We are the only online competition event in the industry offering an entire panel of judges who specialise in the submitted dance genre! From ballet, to Hip Hop to Tap - this bonus specialised team provides your dancer the best feedback possible, straight from the pros! Our lineup includes, Vicki Attard - Classical | Ben Zammit - Contemporary | Nathan Sheens - Tap | Katie Sanchez - Jazz | Richelle Levett - Lyrical | Jacob Yarr - Hip Hop

Our judges are in-demand, professional adjudicators, teachers, and dancers, who have prior experience behind the table, as well as vast knowledge in all styles of dance.
