

# TAKE THE STAGE COMPETITION RULES

Upon arrival at the Theatre, please ensure you register at the registration table.

**Covid requirements:** Due to the ongoing restrictions set upon us by the south Australian government, we will be constantly updating ourselves on the most current information possible in the lead up to our events. We ask for your full understanding when and if we are faced with having to make decisions based on these restrictions.

We will release our covid safe plan and requirements closer to event date when we are aware of the rules at that current time.

**Refund policy:** Competitors are not entitled to any refund of fee or transfer of fees in case of non-appearance in any section whatsoever, change of mind or any other reason, by entering into the competition you agree that we are to provide an event that is a dance competition where you are judged by a judge and given an award if deemed fit.

Please be aware that if covid affects your entries, we will not be required to offer a full refund but you may still be eligible to receive a portion of those back. Please contact us if you are found to be in this position.

Dancers must always be ready to perform 45 minutes prior to their scheduled time.

All entries are to report backstage to the stage Manager at the beginning of the section entered.

All entries will perform in the order they are scheduled. If for any reason a routine must perform out of order, it must be approved by a Take the Stage director and it must be performed before the end of its category. If this is not done, the dancer will only receive a score and not be eligible for placement or overalls.

Please notify the stage manager of any holds needed.

Dancers may not compete against themselves in any performance style and category. (Eg: If a performer has two Jazz Solo's they may only compete the second routine in the next age division up). Only groups are granted the exception of dancing in the same category on the condition that 50% of the dancers are not the same.

Second performance attempts will only be granted if time is permitting.

Any entry in any age group and/or style, displaying suggestive and/or inappropriate content will be disqualified. We will strive to keep its competition family friendly.

For safety reasons, with the exception of rosin, the use of baby powder and other agents is not tolerated.

Please be advised that studios will be held responsible for any damages to theatre change rooms. Any personal belongings, costumes or dance apparel left behind at the competition will not be the responsibility of Take the Stage.

Judges critique sheets will be available to collect from the Registration desk upon the completion of Section.

All decisions of the adjudicator must be accepted as final subject to clause.

Communication with the adjudicator is strictly prohibited. The committee reserves the right to disqualify any person from the competition, being dancers, teachers or other interested parties, from communication with the judge.

Any music not collected from the Stage Manager by the end of the competition will be discarded.

Props for entries may only be placed backstage during the adjudication prior to the upcoming scheduled dance session.

Competition is open to all dancers of all ages.

Teachers can dance in open age sections.

The Committee reserves the right to alter or amend the programme at any time.

Time limits will be strictly enforced:
