6 APPENDICES

6.1 APPENDIX 1 - ACF FLEXIBLE RULES POLICY

As the governing body of Rules at a National level, it is essential for ACF to set the parameters on how States/Territories administer their flexibility, taking into consideration the reasons why these rules are flexible.

Principles of the Rules

- Safety Measures
- Participation – maintenance and growth
- To maintain the uniqueness and creativity in calisthenics

There are two main reasons for allowing Flexible Rules

- Participation
- Theatre/venue requirements

With regard to participation, flexible rules are allowed. The main objective is to increase/maintain participation levels in each State. They are adopted solely for this reason and should be administered in the spirit in which they are intended. Care should be exercised by each State/Territory to ensure the rules are not to be seen to advantage/disadvantage individual clubs/teams to gain better results at competition.

In relation to theatre/venue requirements some states utilise multiple venues whilst other States utilise a dedicated venue. It is important to note that State Associations will take into consideration aspects like competition times, cost of “extras” and ultimately it will be the State Association who has the final say.

On this basis the following rules are deemed to be “flexible” according to each State Association’s criteria.

- Rule 1.2 f - A competitor or team cannot compete in two age sections in the same item;
- Rule 1.2 g - Competitors must appear in one (1) core item to compete in a Fancy item, excluding Tinies;
- Rule 1.3 – Aggregate;
- Rule 2.1 – Ages;
- Rule 2.3 b – Teams with less than the minimum number in an item will incur a **Breach of Rules penalty 5 point deduction**. Maximum of 2 less competitors permitted to perform;
- Rule 3.1 b – No lighting or blackout opening / closing for core items – except Intermediates and Seniors
- Rule 3.1 c – No Front curtain for core items (Tinies excepted);
- Rule 3.2.12 e – Calisthenics Revue - A maximum of six competitors will be permitted to work up into an older age group on the proviso that the Intermediates working up into the Senior Calisthenic Revue meet the Senior age requirement of 16 years. This special condition does not apply to any other items.

6.2 APPENDIX 2 - ACF CALISTHENIC SKILLS LEVELS POLICY

The required levels for entry into any ACF Solo competition are as follows:

<u>Competitor's Age</u>	<u>Minimum Level</u>
10 and 11 years	Test 3
12 and 13 years	Grade 1
14 and 15 years	Grade 2
16 years	Grade 3
17 years	Grade 4

All ages as of 31st of December in year of competition.

Applicable skill level for ACF Nationals Solo Competition must be attained by close of entry to ACF Nationals.

Note: In the event that a state wishes to vary these requirements, approval from the ACF Examiner's Advisory Board MUST be gained in the preceding year before it can take effect.

That approval must then be notified to the Director of Competitions to ensure correct entries are processed.
