43. A competitor whose name is omitted from the program for any reason, will be required to appear at the end of the section, and must have verification from the Competition Co-ordinator to support this.
44. It is important that everyone registering entries is clear and knowledgeable on which section to enter. If a candidate is entered in the wrong section or performs an inappropriate routine according to the section, then loss of marks or disqualification may occur at the adjudicator's discretion. If the Competition Co-ordinator and/or the “ON STAGE Performing Arts Competition Committee” members are aware that a candidate has been entered in the wrong section, then they may refuse that person to perform. There will be no refunds in these circumstances.
45. The Competition Co-ordinator and/or the “ON STAGE Performing Arts Competition Committee” may cancel any section for which less than eight entries are received, or include these entries with the next appropriate age group.
46. No competitor may appear more than once in any section. This will only occur, at the discretion of the Competition Co-ordinator and/or the Competition Committee, where Duos/Trios/Quartets/Troupes must dance in an above age group due to insufficient entries in the relevant section, or due to combining different genres in Mixed sections.
47. In the event where withdrawals affect the numbers of a section during the competitions, where possible, alternative solutions will be offered (this may include rescheduling and/or merging a section with another).

ARRIVAL TIMES

48. A competitor should arrive one hour before their section start time (program will be timed). This should be enough time to check-in on arrival, warm-up and change into a costume if necessary (please arrive in first costume whenever possible). Performers must be waiting in the holding area, the section before theirs.
49. A competitor who does not appear when their number is called may appear at the end of the section. They will not be marked or eligible for a placing. If extenuating circumstances apply, then this rule may be overridden by the Competition Co-ordinator and/or the ON STAGE Performing Arts Committee. No exceptions will be made for competitors coming from other competitions.
50. As all music will be submitted online via the Music Upload platform prior to the competitions, you will need to check-in, so we know you are there to perform. We don't want to play your music and there's no one on the stage.

VOICE AUDIO CRITIQUES / REPORTS

51. All competitors will receive a voice audio critique or written report from the adjudicator, except for the Baby Improvisation section.
52. Audio critiques can only be accessed/received via the online Music Upload platform. Login online for your critique.

“ON STAGE PERFORMING ARTS COMPETITIONS” RULES – PAGE 6

53. COSTUMES & CONTENT

- Performer’s name or studio name must not appear on any item of costuming or props. Anonymity required.
- Tights are preferred for all competitors, rather than bare legs.
- Teachers please use appropriate dance moves, music choices and costuming for all competitors. Choreographic content should be tasteful and appropriate for all ages as this is a family friendly event. Entertainment value is always encouraged in all sections; however, please ensure that your performance is not distasteful, offensive or disrespectful to others.
- Please edit out any inappropriate language for all music/lyrics used at these competitions. This includes singing and drama sections. A loss of marks or disqualification will be enforced.

PROMPTING

54. No prompting is allowed. (HOWEVER, in the case of Junior Sections, this will not be a major issue. If it helps a little one to stay on stage, then so be it. Awarding of prizes will be at the adjudicator’s discretion.)

STOPPING DURING A PERFORMANCE

55. If a competitor commences a performance then stops for any other reason than a technical fault, then that competitor may appear again at the end of the section, however, he/she will NOT receive a mark. They will receive a critique. (This may be changed at the discretion of the Competition Co-ordinator and/or the “ON STAGE Performing Arts Competition Committee” – Novice sections or any 10 Years & Under section to be considered).
56. If a competitor completes over half of a routine then stops, they will still be eligible to be marked and receive a critique (Adjudicator’s discretion). Please note: A loss of points may occur if the routine is not completed.
57. If a member of a duo/trio/quartet leaves the stage during the performance they will NOT receive a mark. Duo/trio/quartets do not need to start with all competitors on stage. They may be individually introduced during the early part of the music as a choreographic element. However, once they are on, they cannot leave the stage.
58. If a performer vomits or urinates on stage, then we will stop the performance and close the Front of House curtain. The teacher/parent of that performer will clean up the mess. A mop bucket will be provided. That performer may/may not receive a mark (Adjudicator’s discretion), but will not be able to go on again in that section in case the same happens. For health and safety protocols, we will not continue until the stage is clean/dry.
59. Blood rule: If a performer bleeds for any reason during a performance, the item will need to be stopped as soon as possible and the area cleaned/dried by the teacher/parent to avoid contamination for other performers. If the performer did not complete the routine and the injured site can be covered, they may be allowed to perform again at the end of the section if time permits and receive a mark. Please be mindful of this, particularly if bare foot.

PROTESTS

60. A protest against any competitor, or any decision, must be made in writing and presented to the Competition Co-ordinator, within one hour after completion of the section. A fee of \$20.00 must accompany the complaint. The protest will be dealt with at the Co-ordinator’s and/or Committee’s discretion during the nearest session break. If, in the opinion of the Co-ordinator and/or Committee, the protest is deemed frivolous, the \$20.00 is forfeited. No further correspondence will be entered into.

APPROACHING THE ADJUDICATOR

61. Any competitor, relative of a competitor, or teacher who approaches an adjudicator before, during or after any section, may result in the competitor being disqualified.

SUBSTITUTIONS

62. No substituting of any entrant, including troupes, on the day. HOWEVER, under certain circumstances and after consulting with the Competition Co-ordinator in advance, a substitution may be allowed for troupes. No substitutes will be allowed for troupes where one or more of its members have been disbarred due to ‘inappropriate behaviour’ under our Code of Ethics ruling. If this is what has happened, all will wear the cost of the ‘problem’ person(s).
63. If a trio or quartet loses one or two competitors for any reason, they still may dance as a duo or a trio. You cannot use a substitute. If this problem arises well before the competitions commence and before the program goes to print, then you may have an opportunity for a substitute to be accepted. Please inform the Competition Co-ordinator A.S.A.P. as it may also affect trophies for that section. If a duo loses one competitor for any reason, they cannot perform as they are now a solo. A substitute will not be accepted, unless as mentioned above, it can be sorted out well before the competitions and/or program is completed.

“ON STAGE PERFORMING ARTS COMPETITIONS” RULES – PAGE 7

PHOTOGRAPHY/VIDEOGRAPHY

64. Due to copyright conditions and regulations, the recording of performances (either visual or sound) is not permitted. No private/unauthorised video, sound or camera equipment is to be brought or used in the auditorium or backstage. Mobile phones with camera facility must not be used. Contravention of this condition may result in disqualification of the competitor/troupe. A ‘one warning policy’, followed by ‘eviction’ from the theatre or backstage area will be in place for all people who ignore this rule or any of the ‘Conditions of Entry’ rules.
65. Our photographer and videographer reserve the right to photograph/video all performances as well as still shots in the foyer. They also have the right to use images from this event for promotions. All staff hold current Working With Children cards or equivalent.
66. All entrants will be photographed by our official photographer. Some entrants may also be photographed by a chosen Committee member. All rules and Terms and Conditions are agreed to when submitting entries on the Comps Online platform. ON STAGE P.A.C. has the right to use photos for promotional purposes on our website, social media or advertising. **If you do not want to have your child photographed or images of your child to be used for promotional purposes, an email must be sent to the Competition Co-ordinator at info@onstagepac.com.au** All ON STAGE P.A.C. Committee members hold current Working With Children cards or equivalent.

EVACUATION PROCEDURE

67. In the case of an emergency, or for whatever reason we need to evacuate the buildings we occupy, please follow instructions from compere, teachers and competition helpers.

MUSIC – TO BE SUBMITTED VIA MUSIC UPLOAD ONLY (Have C.D. or U.S.B. as back-up)

68. Music for the competition will only be accepted via the Music Uploads platform prior to the competitions. www.musicuploads.com.au Once the competition program is finalised, you will be notified of upload closing dates. This process will require you to upload your music and select your item number(s) equivalent to the program.
69. All performers are personally responsible to have their own back-up C.D. or U.S.B. in case the wrong music was submitted online (human error), or if any other technical problem occurs. C.D.’s must be in a suitable square hard case (not paper, round plastic, soft covers or DVD cases). C.D.’s must be clean and not scratched. C.D.’s must not have more than a two second lead-in at the beginning of the track and no more than two seconds at the end of the track. All C.D.’s must be labelled clearly with the competitor’s name, number, event section and name of studio. No stickers to be used on actual C.D. as they can jam in the machine. Use stickers on cases only. Please either print this information onto the C.D. or write with a permanent marker. No C.D. will be accepted without the correct information or square hard case. Please ensure the recording/burning of the C.D. is an audio C.D. not a data or re-writable C.D. or DVD. The C.D. must be able to be played on a C.D. player, not a computer or car stereo. If a back-up C.D. has had to be handed in and used, this will be kept at the kiosk for collection at end of the session. If back-up music is on a U.S.B. then the track must be clearly labelled, with correct competitor name and number.
70. “ON STAGE Performing Arts Competition Committee” will take no responsibility for the loss of music.
71. Music for a Demi-Character routine is preferably classical. Other music may be used with or without words, as long as the competitor uses classical technique in the performance. They alone must tell the story of their character – not relying on lyrics if present on the track.
72. Please edit out any inappropriate language on all music used at these competitions. A loss of marks or disqualification will be enforced.
73. There are to be no pre-recorded tap sounds on the music for tap solos/duos/trios/quartets/troupes. The same applies to sounds of pre-recorded footwork if doing a Spanish routine. This does not include castanets (as long as you are not pretending to play them), Cajon drum or tambourines, as these are all musical instruments.

“ON STAGE PERFORMING ARTS COMPETITIONS” RULES – PAGE 8

MUSIC ISSUES

76. If the competitor's music doesn't play on the venue's audio equipment, (this could be for many reasons such as: incorrect music upload, can't read file format etc.) please refer to the following rules.
77. If the wrong music was uploaded to the online platform (human error) or there is a technical problem and it doesn't play, then the correct music may be found and handed in before the end of the section on a single C.D. or U.S.B. The competitor may then perform to the correct music at the end of the section. If the performer is the last in the section, they will be given three minutes to produce the correct music. We will NOT hold up the event any longer.
78. If the C.D. or U.S.B. doesn't work at all, they will NOT be allowed to perform without music. If they can produce another C.D. or an iPod, iPad, phone or laptop, then we may be able to organise this to be set up and played if time permits at the end of the section. This may result in a loss of marks or disqualification, which will be at the discretion of the Adjudicator or Competition Co-ordinator. If the performer is the last in the section, they will be given three minutes to produce the correct music. We will NOT hold up the event any longer.
79. The above rule No. 78, does not apply to someone whose music stopped during their performance & they were able to complete their routine without music. In this scenario, they will still receive a mark and the Adjudicator will decide whether they want to see them dance again at the end of the section with a back-up C.D. or U.S.B. option. They may/may not receive a mark if they dance again. This is at the Adjudicator's discretion.

VOICEOVERS, TALKING & MICROPHONES

80. No voiceovers are to be used. (Other than in 6 Years & Under Troupe Sections if necessary). This includes any mention of performer/studio name.
81. Talking may be included as backing/music in a Contemporary routine.
82. No talking in Demi-Character routines.
83. One-liners or reaction sounds in a Troupe, Song & Dance, Musical Theatre or Vocal item may be accepted if deemed necessary to the performance value of that piece. (Adjudicator's discretion).
84. Handheld microphones are provided for Production Items, Song & Dance, Musical Theatre and Vocal Sections. (Maximum 10 for Troupes)

CURTAINS

85. Curtains may be used for Troupes, Song & Dance, Musical Theatre, Acrobatics, Demi-Character and Speech & Drama Monologue Sections. They may also be used wherever it will help the smooth running of a particular section or if deemed more professional by the Backstage Manager. Teachers/Competitors - Please let the Backstage Manager know of your curtain requirements well before they are needed & be there to cue them for timing. No curtain will close without a cue from the teacher. The black half curtain may be used for Vocal, Musical Theatre and drama sections.
86. If you are the first competitor in the section and start on stage, then you may do so behind the closed curtain. (Not run onto the stage once the curtain has opened)

LIGHTING

88. The venue will provide white stage lights for all sections of the competitions. Other stage lights and lighting operators will not be used, other than if necessary in a Production Item (see below).

Production Item

Some special effects and lighting may be allowed dependant on the venue.

This must be done with the approval of the theatre and at the cost of the participating studio.

The competitions will not be responsible for any lighting effects or technician required to operate them.

The competition's responsibility stops at the normal stage configuration and full white stage lighting.

Please discuss your item requirements with the Competition Co-ordinator no later than one week after entries close.

89. A prop may be lit by a power cord if it is important to the demi character routine or the concept of any routine. All cords and plugs need to be safe, and plugged in to the appropriate sockets backstage. It should not be a concern for power or safety. Please check with backstage staff. Examples: stairs, rostrums that light up, screens requiring a lamp for silhouette effect, hand held lamps, battery operated candles/torches.

“ON STAGE PERFORMING ARTS COMPETITIONS” RULES – PAGE 9

PROPS

90. Should a performer require props, their helpers (within reason), will be allowed to take props onstage, (with minimum delay), clear the stage at the end of the item, then leave the backstage area.
(We may sometimes provide a Backstage Crew to assist in the setting up and removal of all props).
If it is a large or awkward prop, or a prop with several parts, then please check in with Backstage Manager in case you may be allowed to use a curtain. If a curtain has been permitted in a section where curtains are not generally offered, then the competitor(s) need to exit the stage like everyone else in the section, before the curtain is then shut to clear props. We need to be notified prior to the competitions about props you are using and for which item/section. Please provide information about props on the online registration platform when submitting your entries.
91. No real flowers, fruit, foliage, vegetables, or straw props are to be used or worn by the performer.
92. No props or effects are to be set up onstage prior to the section and must be removed from backstage on completion of the section or item where possible.
(We will have a prop holding area to store these props each day. Please remove from venue A.S.A.P.).
93. All props should be clearly labelled with studio name. They should have carpet, felt or rubber underneath. Please clean with disinfectant when leaving them in the prop holding areas.
94. Teachers please sort your props in the prop area during breaks, before session commences.
Check with props person (if one is on call) to help organise access to props needed.
Don't leave it to when your item is due to perform to think about props.
95. Teachers please ensure that props are removed at the end of each section.

“ON STAGE PERFORMING ARTS COMPETITIONS” RULES – PAGE 17

Please note: Troupes are only offered for the April & September/October Competitions (Not July)

22. TROUPES – TIME LIMIT 5 MINUTES

We offer Troupe sections in the following genres:

Acrobatic, Classical, Contemporary, Dance Ability, Hip Hop, Mature & Motivated, Modelling, Modern, National, Neo Classical, Production, Slow Modern, Song & Dance or Musical Theatre and Tap.

Troupes are to consist of six or more performers.

Troupe members cannot dance in two troupes in the same section. For example – if a studio has entered 2 x 12 Years & Under Troupes, dancers cannot be in both troupes entered. This rule will not apply when age groups or genres need to be combined.

Please note: If entering a Troupe with small numbers, please take into consideration how many performers are on the stage at any one time and for how long. If too much of the Troupe has less than 6 members on the stage at one time, it will be the Adjudicator's discretion to deduct marks if deemed necessary.

If a troupe entered only has the minimum of 6 performers and for some reason (sickness, injury, no show) you then have less than 6 performers on the day, the troupe may be permitted to perform at the discretion of the Competition Co-ordinator and/or the “ON STAGE Performing Arts Competition Committee”, but they will not receive a mark.

Please take this into consideration when setting troupes. Have more than 6 members if at all possible for this reason.

No voiceovers are to be used. Talking may be included as backing/music in a Contemporary routine.

One-liners or reaction sounds may be accepted if deemed necessary to the performance value of that piece.

Handheld microphones are provided for Song & Dance and Musical Theatre sections. (Maximum 10)

Some microphone stands may be available or bring your own.

All members of Tap Troupes must have taps on their shoes.

The category of ‘Mixed Modern Troupes’ may be used to combine some troupes if not enough entries are received for a separate Troupe Section. i.e. Modern & Slow Modern, etc.
