

## **Hit The Floor Dance Competition Syllabus**

This is an amateur competition. No professional dancers are allowed to compete in any sections. All competitors are to enter according to the age they are at the 1st of JANUARY, THE YEAR OF THE COMPETITION.

All troupes need to be entered by average age. DOB for each competitor is taken from 1st of January of the year of competition. To work out average age please add all troupe members ages and divide by the number of competitors in that troupe. We round down from .5 e.g. If average age is 12.5 your troupe will compete in the 12 and under age group if your average age is 12.6 your troupe will compete in the 14 and under age group.

Solo or troupe competitors are also to enter according to the following: STAR – a competitor who has not placed in any genre/style previously at any competition where there were more than 3 entrants or ALL STAR – a competitor who has placed in any genre/style previously in any age group of any competition.

Duo/trio/quad and Troupe need to specify whether they are competitive or recreational

TIME LIMITS Solos/Duos/Trios – Max 3 minutes. Troupes - Max 5 minutes.

Time limits must be strictly adhered to. Performances that run over the time limit will receive a 5 point deduction. Timing begins once a performance commences or the music starts whichever comes first.

We will be using Music Uploads for all events. You will need to purchase a package from music uploads which starts from \$5 for the year and then an additional small charge per event. Further details will be provided for you closer to your event. ALL MUSIC MUST BE UPLOADED THROUGH THIS PLATFORM.
